

Hello Mohawk Falls clients,

We are reaching out to notify you of changes in Covid-19 guidelines which will affect your upcoming event at the venue. Governor Sununu has lifted the mask mandate in NH as of 4/16, but businesses are allowed to make their own decisions on how they would like to move forward with restrictions.

For everyone's safety, Mohawk Falls will still require masks be worn at the venue until further notice, whenever you are within 6 feet of someone that is not one of your household members. We can also now accommodate a maximum of 148 seated guests, if buffet/card tables are moved just outside of the pavilion (pop up tents can be put over them).

If you have an expected guest count that is higher than that, please let us know so we can try to get creative with the layout and accommodate you. Tables can also be fully seated now, as they will allow up to 10 at a table (our round tables fit 8). Dancing within 6 feet of others is discouraged, except if they are your family/household members. You can view the full updated guidelines for weddings/events at:

<https://www.covidguidance.nh.gov/sites/g/files/ehbemt381/files/inline-documents/2020-06/guidance-weddings.pdf>.

We are hopeful that things are starting to get back to some sort of normalcy, and hope these changes will make your planning easier. Please feel free to reach out with any questions and we will keep you posted if things change.

Thank you for your cooperation and consideration as we navigate these times together. We look forward to hosting you!

Kind Regards,
Mohawk Falls
